MORNING MEETING ACTION ITEM

TO: DD/S&T

DDCI announced that Rear Admiral Vincent dePoix, Assistant Deputy Chief of Naval Operations (Development), would like to visit Headquarters on 4 February to brief our people on the Navy's R&D program and on the impact of intelligence on it. DDCI suggested that the DD/S&T handle the arrangements for the visit and that a luncheon be planned. DDCI also suggested that members of the Intelligence and Plans Directorates should attend the briefing. The Director agreed.
